

2025 NAATBatt Annual Meeting

TRUMPF

Global Leader in Laser Technology for Battery Manufacturing

TRUMPF

Leader in LASER Technology

The TRUMPF Group has 77 subsidiaries and branch offices and more than 19,000 employees generate sales in excess of \$5.6 billion. The TRUMPF Group is a world leader in sheet metal fabrication machinery and industrial lasers. TRUMPF Inc. is the North American subsidiary of TRUMPF SE + Co. KG. based near Stuttgart, Germany. With approximately 1,200 employees, TRUMPF Inc. is the Headquarters for North America and is one of the largest manufacturers of fabricating machinery in the United States.

5.2 Billion Euros

FY23/24 in Sales Revenue

19,000 Employees

Worldwide on June, 2024

90+ Locations

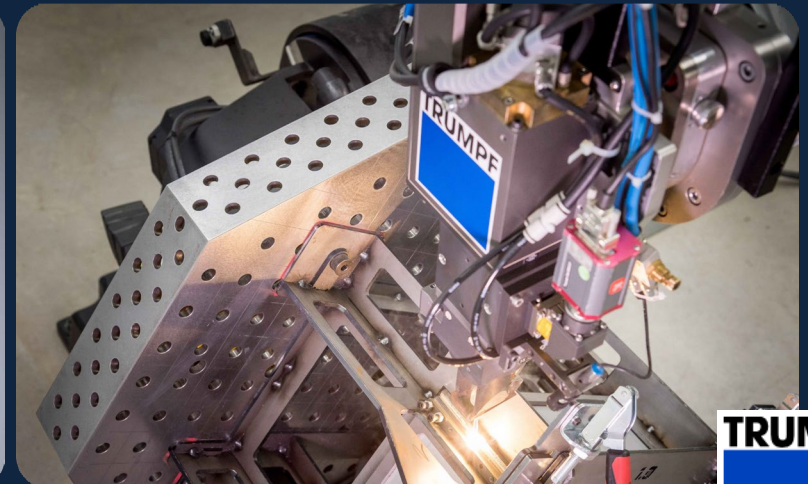

Worldwide

TRUMPF

The Global #1 Laser Supplier for EV Battery Manufacturing

- ▶ Electrode Slitting
- ▶ Tab Cutting
- ▶ Surface Cleaning
- ▶ Structure Welding
- ▶ Seal Pin Cleaning
- ▶ Cooling Plate Welding
- ▶ Can – Cap Welding
- ▶ Foil Perforation
- ▶ Vent Cap Welding
- ▶ Separator Cutting
- ▶ Soft Connector Welding
- ▶ Foil to Tab Welding

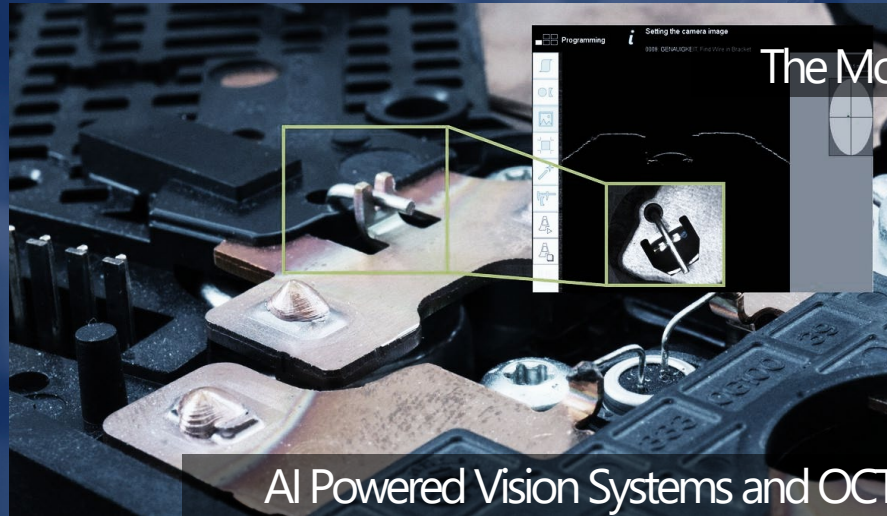

TRUMPF

Versatile optics solutions

The Most Expansive Lineup of Lasers in the Industry

AI Powered Vision Systems and OCT detection

Laser Systems Designed for Mass Production
