

# Building Our Future Together

# We are the United Steelworkers

- Largest manufacturing union in the US
- 850,000 members in the US and Canada

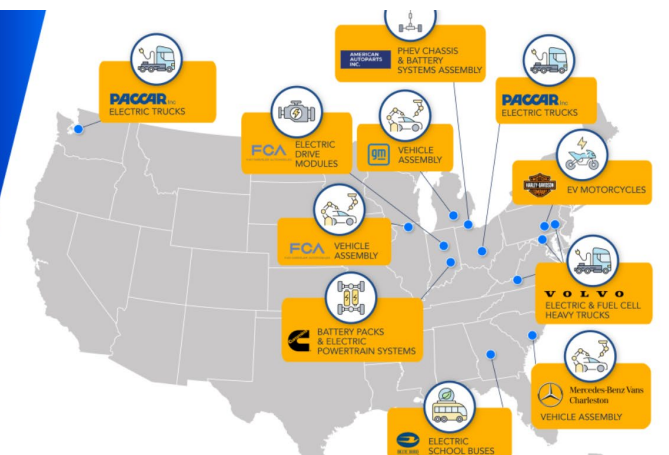

# Leading on developing a clean energy economy

- Worked hard to pass BIL, IRA, and CHIPS. Generating thousands of calls, letters, etc...
- Supported more than a dozen employers as they've applied for grant funding for a variety of projects in renewable energy, decarbonization, and emissions reduction
- Partners have been granted nearly \$1B in DOE grants under FOAs 2678, 2936, and 3099 and through loans and loan guarantees through the LPO

## Leaders

Roxanne Brown

*International vice president at large, United Steelworkers*

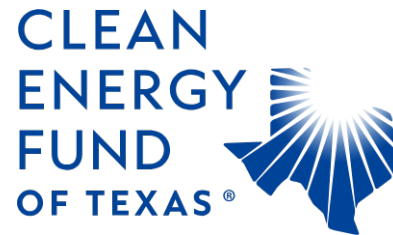

# How we can work together to unleash domestic production

# Developing national alliances and partnerships

- Members in all 50 states, Puerto Rico, US Virgin Islands, and 10 Canadian provinces
- Partnered with Sierra Club to found the BlueGreen Alliance

TALON METALS AND STEELWORKERS UNION PARTNER TO ADVANCE THE TAMARACK NICKEL PROJECT FOR US EV BATTERY SUPPLY CHAIN

*Union and management to work together to assess critical mineral project and explore opportunities for high paying union jobs in Minnesota's lowest income county*

# Engaging communities and recruiting new workforces

# Tailor-made workforce development, training and upskilling

- Trained more than 25,000 workers and more than 170 trainers last year on occupational health, safety, and environmental hazards.

# Protecting American industries and workers through trade enforcement

## United Steelworkers Voice Support for Solar Trade Petitions

By Elizabeth Brotherton-Bunch

- One in five anti-dumping and countervailing duty (AD/CVD) trade cases...EVER
- Protected ten of thousands of American workers
- Encouraged billions in direct foreign investment, creating thousands of jobs
- Supported numerous national security trade actions (232s)
