

Institute for Building Technology and Safety (IBTS)

Chris Miller, Local Government Solutions Director

ABOUT US

- ▶ The Institute for Building Technology and Safety (IBTS) is a national nonprofit organization and trusted advisor and partner to local, state, and federal governments, and the private and nonprofit sectors.

Our services and expertise strengthen communities, creating a resilient and sustainable future for all.

public sector
accountability

private sector
flexibility

- ▶ IBTS provides plan review and inspection services for Panasonic's 5.5 million-square-foot EV battery facility in De Soto, Kansas.
- ▶ Under the City's Building Official, our Local Government Services team ensures compliance across the project.
- ▶ Our multi-discipline-certified examiners deliver initial plan reviews on 500-page packages within two weeks.

Panasonic ENERGY

Energy that changes the future.
